

Wolverhampton Wanderers Girls FA Centre of Excellence

Trial Information Summer 2008

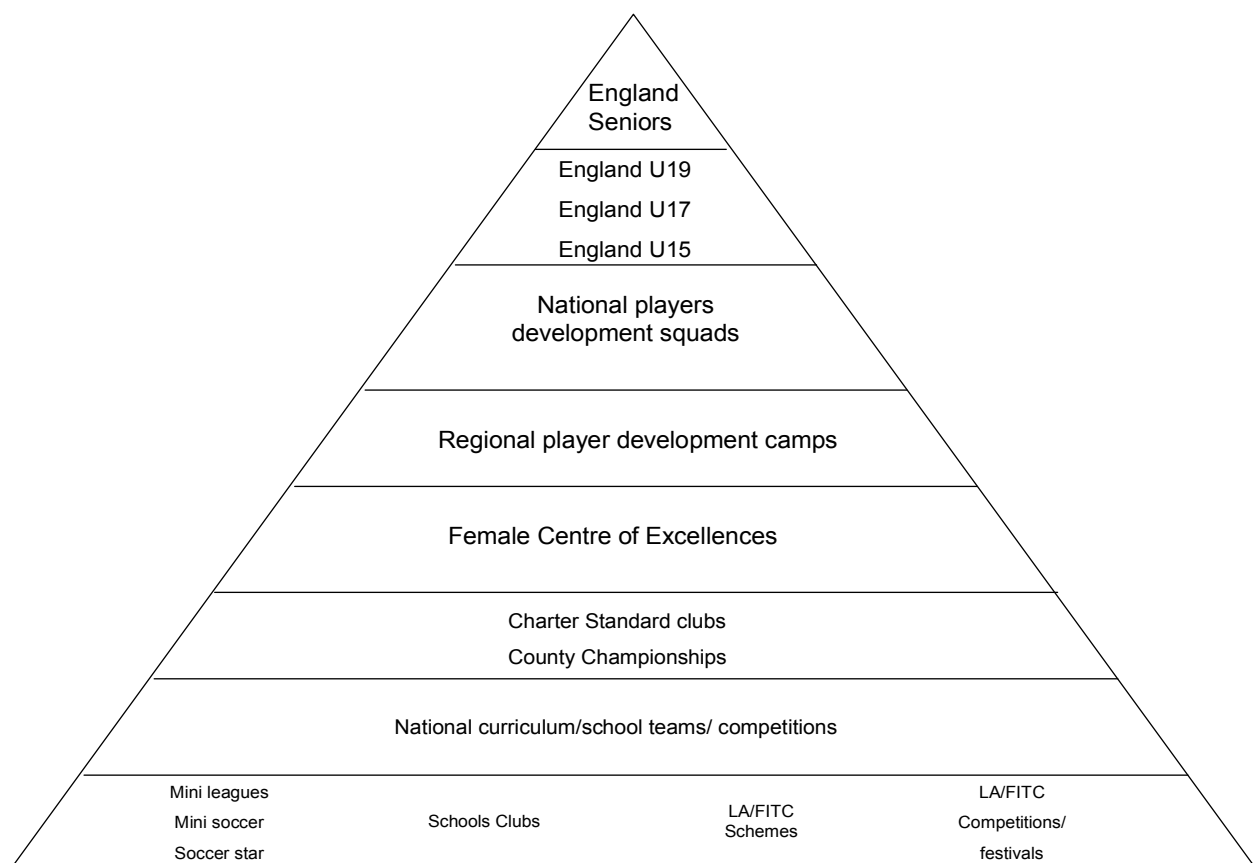

What is the Wolves Girls FA Centre of Excellence?

The centre is supported by the Football Association and falls into the player pathway (see below). It runs as a partnership between the centre of excellence, WWFC and Wolves Women.

This centre competes in the FA centre of excellence fixture programme for the Midlands. We compete against Aston Villa, Birmingham City, Coventry City, Kidderminster Harriers, Shrewsbury Town, Leicester City, Stoke City, Nottingham Forest and Derbyshire. This ensures high quality competitive opportunities on a regular basis. England Scouts visit the sessions on a regular basis to ensure that players can continue to move up the player pathway.

The centre provides high quality coaching, all delivered by FA Qualified Level 2/3 coaches and is overseen by an UEFA A Licence director.

This is the only FA Centre of Excellence in the Black Country, which attracts players from Dudley, Sandwell, Walsall and Wolverhampton. It's the pinnacle of players in this area and offers the best football opportunities to progress into international football.
